11:05	Repositioning first aid at the Centre of the IFRC Strategy 2030 Pascal Cassan and Bhanu Pratap Last year, the IFRC announced its idea of repositioning first aid at the heart of its 2030 strategy and vision. In order to seize this opportunity, a joint initiative for a renewed commitment, vision and policy for first aid has been proposed to the 192 National Societies of the Movement. During this presentation, European National Societies will know more about the initiative and the plans for the special highlight which will take place during the IFRC General Assembly 2022.
