We need you in the Steering Committee for FAEEN

The Steering Committee (SC) of the FAEEN is composed of six members elected for three years. Its biggest task is to organize the annual FAEEN meeting together with the national society hosting the event.

This year we are only three members in the SC: Elif from the Turkish Red Crescent, Gaëlle from the Belgium Red Cross (replaced by Alice at the moment), and Inge from the Danish Red Cross.

So we need three new colleagues to join in.

Why not you?

Come and work in a stimulating and international environment for an enriching project!

We will have an election at the upcoming FAEEN meeting in Stockholm to select the last 3 members.

If you are interested in joining the SC, please notify it in your registration for the annual meeting. And if you have any questions on the tasks of the SC, do not hesitate to contact one of us.
